

CONVERGENT[®]

At Convergent, a Unit of Technicolor Network Services, our expertise lies in the implementation of complex, video-based networks for digital signage, corporate communications and distance learning. We offer best-of-breed technology, and provide a variety of services that can be mixed and matched to meet your business objectives. Offered services include:

- Solution design and integration services
- Content strategy and creation
- Project management and installation
- Network monitoring and maintenance
- Help desk and technical support
